5. Questions and Feedback

There were three questions submitted to the CPF after the AGM pack was sent out:

1. Please could the CPF assist in motivating the authorities to improve the quality of the pavements by requesting a surface such as cement paving. (T Wood)
2. Please will the CPF have a discussion at the AGM regarding the unacceptable state of the old Parkhurst Bowling Club which has been overrun by illegal occupants. (R Nel)
3. Please will the Station Commander provide feedback to the community with regards to how Parkview SAPS was rated over the past year. (M Browne)

The replies were as follows:

1. The CPF will include the issue of uneven pavements in its Community Safety Plan and raise it with the Ward Councillors.
2. The CPF will raise the situation at the Parkhurst Bowling Club with the Ward Councillors and the authorities.
New information: This situation has been a standing issue on the CPF EXCO meeting agenda every month since last year's AGM. A letter has been written about illegal occupants in open spaces and sent to the Ward Councillors (see attachment). We welcome a discussion about the Parkhurst Bowling Club at the upcoming AGM.
3. At the CPF EXCO meeting on 17 September 2020 Colonel Gopane gave the following feedback about the Parkview station's ratings:
 - Detective services had received a rating of 1 (Poor), indicating that operations were not effective during the lockdown. This reflects the Johannesburg District detective services rating of 1
 - Human resources had a rating of 2 due to absenteeism
 - Crime prevention had a rating of 5 (due to very little crime during the lockdown)
 - Parkview Station as a whole had a rating of 2
 - The ranking of Parkview was 124th out of 124 stations

He was only able to provide the ratings for the first quarter (April, May, June) since the second quarter was not yet complete.
